Power Type	-	Stock Number	0
Condition	New	State	Victoria
Suburb	MILDURA	Engine Make	Mercury

Description

Mercury 60 EFI FormulaRace - Mercury Racing is pleased to announce the introduction of the all-new Mercury 60 EFI FormulaRace outboard. The 60 h.p. in-line four-cylinder engine expands Racing's breadth of low-emissions 4-strokes; an offspring of the venerable Verado 350 SCi outboard. The two join Mercury Racing's line of OptiMax "XS" series of low-emissions 2-stroke consumer outboards.

19 Etiwanda Ave Mildura VIC 3500

The engine, built at Mercury Marine's state-of-the-art outboard manufacturing facility in Suzhou, China, was designed specifically to meet increasing demand for engines in support of the popular Mercury FormulaFour outboard tunnel boat racing series. The series, featuring one-design 14-foot tunnel race boats powered by a production Mercury 60 EFI 4-Stroke outboard, was originated by Brunswick Marine Sweden and their dealer Mikael Frödén.

Although racing is basically exempt from emissions regulations, event promoters are beginning to realize that they need to create new classes and/or update existing boats with emissions compliant power. The 60 EFI FormulaRace provides racers and promoters with an affordable modern engine which is also environmentally responsible. Racing communities throughout Germany, Poland, China and the Middle East have expressed interest in the Mercury FormulaFour series.

SPECIFICATIONS

HP @ Prop	60
kW @ Prop	44.1
Max RPM (WOT)	5500-6000
Cylinder/Configuration	4 (in-line)
Displacement (CID/cc)	60.8/995
Bore & Stroke (in)	2.56 x 2.95
Bore & Stroke (mm)	65 x 75
Cooling System	Water-cooled w/thermostat
Ignition System	ECM 555 Digital Inductive
Starting	Electric (Turn key)
Gear Ratio	1.83:1
Gear Shift	F-N-R
Steering	Remote
Alternator Amp	18
Alternator Watt	223
Trim System	Power trim
Exhaust System	Through prop
Lubrication System	Integrated Wet Sump
Fuel/ Ethanol Tolerance	87 Octane / Up to 10%
Recommended Oil	Mercury Synthetic Blend 25W-40
Fuel Induction System	2-Valve per Cylinder, Single Overhead Cam (SOHC)
Shaft Length (inches)	15
Shaft Length (mm)	381
Dry Weight (lbs.)	247
Dry Weight (kg.)	112
Operator Warning System	SmartCraft Engine Guardian
Available Propellers	Contact Mercury Racing
SmartCraft	Yes
Warranty	None
